Required Internship Textbooks

- Academy of Nutrition and Dietetics Membership is REQUIRED and will allow access, for a fee, to the web-based Nutrition Care Process Terminology (eNCPT)
  - Subscribe at [https://www.ncpro.org/](https://www.ncpro.org/): $25 for student members
  - eNCPT subscription is REQUIRED for all interns

Suggested Internship Textbooks

The following books/manuals may be helpful during the internship. Questions from the comprehensive exams in Clinical Nutrition, Foodservice Management, and Community Nutrition will come from these books and/or others like it. If you have comparable text books or alternate editions of the books from your DPD program you may use them instead.

Clinical:

- *Food-Medication Interactions*, 18th ed. 2015. Available from [www.amazon.com](http://www.amazon.com). The 19th edition was delayed in publishing, driving up prices for the 18th edition. If you can get an earlier edition, it will work for your rotation. Contact your faculty member if you have questions.

Education:

Food Service Management:

Community Nutrition:

- Nutrition Care Manual & Pediatric Nutrition Care Manual (online diet manual). (same as suggested for Clinical)
